Dear Parents and Carers,

Thank you to those who attended our church service for Harvest at St Mary's last week. It was lovely to so many supporting the efforts of our children. Also a big well done to all of our children who have represented the school so beautifully at sports events over the last week. We wish our oldest children good luck for Monday as they are off to compete in the cross country competitions. We are proud of you all! We now enter our last and final week before the Autumn half term and the children continue to work hard and impress us every day in all their learning. Let us make it the best week yet.

Safeguarding

The NSPCC website has a huge range of resources to support families: See below:

nspcc.org.uk/keeping-children-safe

Attendance:

Please do continue to keep ensuring your children come into school each day. It helps them build relationships, secure their learning and allows them to develop new skills.

Please avoid term-time holidays because we do not want to have to issue fines (no-one benefits from these) and it makes it very difficult for the children in school. We do consider each circumstance but you must talk to us before you book. Thank you.

Message from the Executive Headteacher....

Remember we are looking out for **Courageous Advocates** - children actively supporting causes important to them, such as Annabelle, who last year cut her hair for charity - super Annabelle, well done!

Could you or one of your friends be a **Governor** for our Federation?

We are looking for local people who want to support their local schools. Being a Governor requires someone to be interested, attend 6 meetings a year, Meetings are 2 hours or less and a mutually agreeable evening is agreed upon, and the calendar agreed for the year. A Governors' role is to challenge and support, ask questions and contribute ideas. Governors can also join leadership monitoring, work with Subject Leaders to hear their impact and listen to the children talk about their learning. It is helpful to have representation from Parents/Carers and also from the local community. So if you or someone you know is interested, please do get in touch.

Friends of Sporle School (FOSS).....

Our Friends of Sporle School organise events throughout the year and are always looking for new members so if you would like to join them, please do speak to a member on the playground or speak to the school office.

Prayer for the Week....

Dear Lord,

We pray that you help us with learning and playing, and Bibles.

Amen By Ella-Rose

Thank you as always for your support and partnership,
