Dear Parents and Carers,

We would love to invite you to a Macmillan Coffee afternoon on Friday 20th October from 2:00pm. All classes will be holding an open afternoon for you to join your child in some activities and partake in coffee and cake/biscuits for a donation to Macmillan Cancer Support. If you have more than one child, you can visit individual classes or take your children with you to one of the classes. Any donations of biscuits and cakes for the event would be gratefully received. Please send them in with your child on the morning of 20th. Thank you for helping support this very worthy cause.

Upcoming Events next week

See Diary Dates for details.....

10th October Football Festival for Years 3 and 4.

14th October Reception class photo in the EDP.

Swimming for Years 4, 5 & 6 on Thursday mornings.

Reminders and Information.....

Please remember to name all items of clothing and equipment so that they can be returned to your child if they misplace them. As you can imagine, without names on, it is very difficult to reunite your child with their belongings.

We have managed to book Father Richard Howells for our Harvest Church Service this year after our half term break, on Wednesday 1st November from 10:00am. We look forward to you joining us in All Saints Church to celebrate with us. The children will be offering a selection of songs, reflections and prayers.

Safeguarding

The NSPCC website has a huge range of resources to support families: See below:

Attendance:

Please do continue to keep ensuring your children come into school each day. It helps them build relationships, secure their learning and allows them to develop new skills.

Please avoid term-time holidays because we do not want to have to issue fines (no-one benefits from these) and it makes it very difficult for the children in school.

We do consider each circumstance but you must talk to us before you book.
Thank you.

Message from the Executive Headteacher...

As this half-term progresses, it is a real privilege to see the children's learning and to see the progress that they are making be demonstrated in their books.

It is also a real joy to talk to children about their learning and see their faces light up when they realise that they have understood something.

Our Trust colleagues came in during this week and they were very complimentary about our schools and all the hard work we are doing to make our curriculum as exciting and engaging for the children as possible.

Please keep doing the children's reading, spellings and number bonds or multiplication tables with them at home as it really does make a huge difference for them.

Thank you!

Narborough Parent/Teacher/Friend Association (PTFA)

WE NEED YOU!

We will be holding a Crazy Hair Day on Friday, 20th October for a donation of £1, where children can come to school with a crazy hair style.

Our half-termly Sweet Stall will be on the playground outside Otters on Friday, 20th October as well.

Please come along to show your support at our next meeting, on Thursday 19th October this will include our Annual General Meeting.
