Dear Parents and Carers,

As you know, we have taken part in many off-site visits, including our Nursery and Reception visit to the fantastic Abbey Farm in East Walton, where we were introduced to the new lambs, helped feed the ewes their sugar beet and helped Farmer Bill roll out the hay in the sheep pens. It was great fun where the children filled the air with squeals of delight as they splashed in the puddles and climbed into the pens, then pretended to drive the combine, tractor and quad bike! Thank you to Charlie and James' family for a fabulous morning. Years 5 and 6 really enjoyed their trip to West Stow where they explored the reconstructed Anglo-Saxon Village and found out what it was like to live in 420-650AD.

We thank you for your support in helping to make these trips possible.

Well done to Alfie for achieving the Lunchtime Award this week.

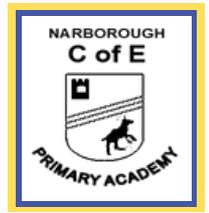

Please remember to keep supporting your child with their reading over the half term break and recording their reading in their home reading record. Alongside this is their Sponsored Read, which runs from until Friday 23rd February. Children can get themselves sponsored to read each day. They can read anything they like - all words count! The children have brought home a sponsorship form for them to collect sponsors on and any money raised will go towards getting brand new books for our school.

If you, or anybody you know are interested in booking your child in for a place in our new nursery or any other Year R to 6 and would like to visit us for a look around, you are most welcome. Please contact the school office on 01760 338048 to arrange a visit.

Safeguarding

We listen to our children regularly and get their opinions and views about school, which is always a real joy and always interesting.

Our children are very keen for playground equipment, and I am delighted to let you know that our PTFA are choosing from a list of very exciting equipment, and also Miss Maskell and our Sports coach teams are putting together a list of sports equipment so thank you for your feedback children.

Our children were very clear that they love school, love their learning and feel safe and looked after, which is great to know.

Please ask your child who their trusted adult is so that we know every single child has someone in school that they can talk to if they need help with any worries.

Well done everyone!

Our Parents/Carers' survey will be analysed shortly and shared with you all. Thanks to those who have filled it in.

Message from the Executive Headteacher....

First of all, I couldn't finish for the half-term without praising our wonderful children. There were so many lovely moments at the Disco last night. I want to especially note all the children who enjoyed spending time with and looking after one of our Reception children, who had a wonderful time - even if he didn't get much space from all his enthusiastic helpers! I want to congratulate Danny, in Squirrels, for his acts of kindness to another child, offering to play with him when he was upset and also buying him a gift. All our children were superbly well behaved and had a lot of fun. Well done our super children! A huge thank you to James our DJ and all our lovely PTFA who made the hall look festive and provided such a fun event. Thank you to our families who supported it too. I also want to thank our staff for their work this half-term; I think every single adult has been poorly over these last few weeks yet they have continued to give their all, support each other and our children and keep ensuring fantastic learning experiences. Thank you all. We also want to say goodbye and thank you to Mrs Marshall, who is finishing her role as Teaching Assistant. We will miss her in the class a lot, but are really glad she's still on our PTFA so we get to continue working together. Mrs Ward is also finishing her role and we thank her too. Have a fantastic half-term everyone and we look forward to seeing everyone back and healthy on Monday 26th.

Narborough Parent/Teacher/Friend Association (PTFA)

The PTFA Spring Disco last night was well attended and children enjoyed themselves and when we know the amount raised we will let you know. Thank you for your continued support.

Any volunteers to help at any of our events will be greatly appreciated.

Prayer for the Week

Dear God,

Thank you for our homes and freedom so that we can get education in school with our friends. Please help the people without homes and those that have no freedom so they can't have an education. I hope soon there will be peace in the entire world. Thank you for making us learn from our mistakes. Please help people gain their confidence and be brave.
Amen
