Dear Parents and Carers,

It was lovely to see everybody return after the half-term break well-rested and happy to get back into their learning. This is a short half-term, but is really packed, so as you know, every day counts! Due to being unwell, I did not get the Team Points counted before the half-term break, my apologies. Team points for Spring 1st half-term were: **Beagle 331**; **Britannia 269**; **Castorama 317** and **Endurance 237**. **Well done to the winning team - Beagle!** Due to us having several non-uniform days this half-term, children in Beagle team can come to school in their team colour of green on the last Friday of the half-term (22nd March). As you know, **Thursday 7th March is World Book Day**, so as usual children can come to school dressed as a children's book character and be prepared to talk about who they are dressed as.

Upcoming Events next week

Safeguarding

Thank you for responding to the questions about online safety. Across the Federation, we had 49 responses with most people saying that they are feeling quite confident but that any information is helpful.

People felt that this column is helpful as follows: Strongly agree: 15 Agree: 23

10 said they didn't know whether it was useful or not and 1 parent disagreed that it was helpful.

The things that Parents/Carers requested were:

Keeping up to date with new apps/platforms or stories online and to ensure parental controls are on. .

For my child to be aware of the dangers/repercussions of poor online safety behaviours and choices. Please see this link for lots of information on chat apps:

Message from the Executive Headteacher....

A big thank you to everyone who filled in our Parents/Carers Annual survey - we really appreciate your time. You will receive a breakdown of the survey and a the areas for action and the actions we have or are taking next week.

In summary, the vast majority were very positive, with some lovely comments; thank you for taking the time to write those. 3 were not as positive, and I have followed up one issue and will follow up with another family. One was anonymous and so I am unable to follow up, which is a concern as we cannot help that situation if we do not know who it is that is unhappy. Letting you all know what your children is learning has come out as a strength, with 100% of families in agreement, which is excellent as this has been an area for development in the past.

Everyone bar one parent felt there is a good range of subjects available. The only suggestion for improvement outside the three families that I will follow up with was to try hard to share more photos about what the children are doing on Dojo. This is something we talked about at the last Parents/Carers' Forum and something we would like to do, but require investment in our ICT to enable us to do this. We will keep trying to find a way to achieve this.

There were 16 responses, which is not a huge sample, and I would be grateful to hear from more people so that I know we are getting an accurate representation.

Narborough Parent/Teacher/Friend Association (PTFA)
