Well done to our super reception children who came runners up out of 65 entries. What an incredible achievement. Well done to Willow, Sophia and Rosie. Safeguarding

Please see some top tips from the London Grid for Learning, a charity who supports children and families.

- It's your choice - Don't let others dictate when the right time is to use tech.
- Stay involved - make time to communicate, talk about what they are doing. What do they enjoy? What makes them laugh?
- Don't quiz them - have regular conversations. What's their favourite app? What is the best site to learn new things from?
- Join in - watch them play a game and join in. Who are they playing with? Do they know the other players?
- 'Show me how...' - ask their advice to help you with your privacy settings, who you should add as a friend, are there any risks?
- Lead by example - children learn as much from watching as they do from being told not to do something, so model good behaviour
- Reassure them - tell them that they won't get in trouble and that you are always there to help

Message from the Executive Headteacher....

Head Pupil Interviews;

Miss Behan and I completed these recently. Our successful candidate were a joy to interview, having prepared with a carefully written letter of application and some very good ideas. We are delighted to announce Bella Coley and Ralph Brancham as our Head Pupils. The post involves being a strong role-model, demonstrating and living all our school values and most importantly, being a changemaker and a courageous advocates - can the post-holder bring their own ideas and energy to an issue that they have identified and make a difference? We look forward to some exciting ventures! Well done Bella and Ralph we are very proud of you and we look forward to your work.
