Dear Parents and Carers,

Thank you for another fabulous week. We have been so impressed with how much pride the children are showing in their learning. In Robins, the children have loved gathering natural materials for their art. In Woodpeckers, the children have enjoyed learning about air resistance and in Kingfishers the children have enjoyed writing their own WW2 speeches. We would love to invite you all to join us at church next week for our Harvest Celebration at 2pm followed by a coffee afternoon at school. We are looking for any food donations for our harvest collection (non-perishable items such as cans or grains). Please leave these with the school office by Wednesday 16th. If you have any unopened cakes to donate for the cake sale, please also leave these with the office.

Message from the Executive Headteacher....

Parents'/Carers' evening - we're looking forward to seeing you all at these after half-term. Please come along, look at your child's super learning and talk to the teachers about how well they're getting on.

this year. we're looking for children to be Changemakers; courageous advocates for something they believe in - making a change or raising awareness. If your child is doing something like that out of school, please let us know so we can celebrate it in school. I am very proud of a few of our children who are really starting to organise their ideas about how to do this so far and look forward to their next steps.

Prayer for the Week....

Dear Lord,

We pray that every human being is safe in the world. We hope they are kind to the animals. We also hope that everyone comes to school in a happy mood.

Amen
