### Dear Parents and Carers,

Thank you to all our families for their generous harvest gifts. We would also like to thank those who attended our Harvest celebration at church. We were really proud of the children's beautiful singing and thought they did especially well with their speaking and carrying on when they discovered the church sound system was sadly not working.

Our fabulous Macmillan coffee afternoon raised a whopping £125 so thank you all for your generous donations. All money raised goes towards supporting this worthwhile charity. Congratulations also must go to our Sporle children who qualified to represent the cluster at the regional cross-country event: Adhanaa, Annie, Sienna, Teddy and Bella

**Curriculum and Assessment review;** Professor Becky Francis. There is currently a review of the what the nation's children and young people learn and how their learning is measured. Please have your say; this is your chance to have an input into the national curriculum. The survey closes on 22nd November.

**Cross Country results;** a HUGE congratulations to all our pupils who got through to the next round - NVF did incredibly well, with 23 children in total qualifying and the children from Sporle mentioned above. Well done all!

We also want to say a big well done to our Head and Deputy Pupils from NVF who came and spoke very well about their role at our Governors' meeting this week. Super job Ralph! (Bella was at a prior commitment giving it her all at her high-level football)
