Dear Parents and Carers,

It has been incredibly hot this week and we have been so proud of their resilience, determination and courage even more than usual! It's been a busy week. It was non-uniform day yesterday and we loved seeing our children's colours they had come in and guessing which country they were. Some countries proved much harder than others. Thank you so much for the creative ideas. It has been sports day today and we are very proud of the children for doing their best and showing sporting behaviour, particularly in such hot weather. Thank you again for attending this and for working with us to support your children.

Our week in Class

This week we have had a wonderfully warm but productive week.

We all enjoyed sports day, competing in races and being cheered on by our families and we look forward to completing the carousel events when it's a little cooler.

In Maths this week Year 1 have been learning about time. We looked at hours, minutes and seconds.

Reception have been continuing to focus on their use of the rekenrek (a number frame) and comparing numbers.

Our week in Class

This week in Woodpeckers we have had a wonderful week. We enjoyed learning more about directions in geography on a pirate map. In English we imagined we were Walter Raleigh reaching the Carribbean for the vert first time and in art we loved painting pictures of rainforest animals that Walter Raleigh might of seen.

Our week in Class

This week has certainly been hot so many of our lessons have either been in the hall or outside under the shade of the trees. Well done to all the children for their excellent participation in Sports Day and we've all enjoyed creating artwork linked to Creation in our Art / DT afternoon. In other learning this week, we read about Digestion in Adam Kay's very amusing book about the human body. I highly recommend this book if you like the human body.

Safeguarding

Ahead of September, please do not forget that we do NOT accept smartphones into school unless there is a medical exception.

Also, there are continuing issues for children on whatsapp groups - given the social media ban that is coming in, please consider taking your children off or not allowing them to join whatsapp and in this way, hopefully there will be fewer issues for everyone.

Many thanks for your support.

Healthy mind, healthy body

Staying cool physically to help us stay cool mentally seems very helpful at the moment! One of our children told me this week that when we're cross our bodies get hot and that makes us crosser! Quite true, so stay cool everyone!

Announcing our Summer holiday competition!

Just in case you want to get started early... we're asking our children to grow a plant to bring in in September, to fit with our Healthy Body, Healthy Mind work.

Message from the Executive Headteacher....

Thank you all for being so sensible during what has been an extremely hot week. Thank you too for your participation in our three Sports' Days; it has been wonderful to see adults modelling to children how we participate, give our best, win and lose! A big thank you to our staff for organising this.

It has also been lovely this week to meet our new Reception 26 children; we've got good sized classes at each of our schools, which is excellent news. If you know of anyone who doesn't have a school space locally and needs help and support, we do have a few places across the Federation - but not many at all - so do let them know.

Well done to our children this week for still managing to do their end of year writing, practise their productions and give their all in Sports Day too!

See page 1 for details of our Raffle and Fun Run on Friday 3rd July

Prayer for the Week....

Dear God,

We are thankful for the seasons and looking after nature. Help us appreciate family time and spending time together.

Amen

Healthy Body 🍌 Healthy Mind 😊

🚫 Healthy Body ✓

To have a healthy body you could exercise and workout regularly.

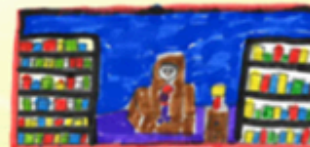

Eating fruit and veges are another form of having a healthy body.

Sweets are very unhealthy because they are full of sugar.

📖 Healthy Mind 🚫

Reading helps with your spelling as well as your mind.

Education is also a good thing for your mind.

Video games aren't very good for your mind.
