

HEDGEHOG CLASS HOME LEARNING

Thursday 30th April 2020

English:	
Phonics - revise	<p>Phonicsplay - new format Username: march20 Password: home Please practise any digraphs/trigraphs your child is unsure of - using the different games or just writing them on paper</p> <p>You could use the ideas from the clips below to use with digraphs or trigraphs as well as tricky words. Below is a list of the tricky words Outdoor Tricky Word Activities https://www.youtube.com/watch?v=pCtQzAOIPZ4&feature=emb_logo Indoor Tricky Word Activities https://www.youtube.com/watch?v=80kpHbGSypw&feature=emb_logo</p> <p>It is important for the children to know the letter names as well as the letter sounds. When reading they should first try the letter sound, if that doesn't seem right they should try the letter name i.e. if sound talking 'no' it would make no sense if you just sound talked it but if you try using the letter name for the 'o' it works! Below is a link for a song that has the letter name and sound. Also it is important for the children to recognise the upper case letters as well as the lower case ones. https://www.youtube.com/watch?v=5PmB3SIjNdQ</p>
Non-fiction text:	<p>If you are able to find this on Oxford Owl Website, could you please continue to share it with your child. Title: Beaks and Feet (Level 8 book) Log in - follow eBook signs until there is a search bar and type in Beaks and Feet. If you cannot find this can you find any non-fiction book about birds?</p>
Reading:	Any book your child may have at home or go to Oxford Owl website

Maths:	
Number	<p>Any counting songs Website: Topmarks, 5-7, Addition and Subtraction, Robot Addition You can choose the level to play https://www.topmarks.co.uk/addition/robot-addition</p>
Challenge	White Rose Maths - Y1 Week 2 (not Summer Term) Lesson 2 Count in 10s
Space, Shape & Measures	<p>White Rose Maths - Day 4 What the ladybird heard As these activities were around Easter time - if you don't have eggs you could make them with paper (template part of the activity) or use a selection of objects you may have at home to play the memory game. https://whiterosemaths.com/homelearning/early-years/ 2D shape names, repeating patterns, memory game</p>

HEDGEHOG CLASS HOME LEARNING

Thursday 30th April 2020

<p>Topic:</p>  <p>WWW.BRAINWAVES.NET • TEL: 08000 32 54 54 • REF: SP33 BIRDS NOT TO SCALE</p>	<p>The World around us!</p> <p>Birds</p> <p>Please see the photo I have put on Tapestry when I was watching for birds in my garden! Not quite what I hoped to attract!!!</p> <p>I wonder whether today the children might like to choose a bird - the more unusual the better and draw a picture and perhaps have a go at writing a little bit about the bird? For example, if they chose flamingo - could they write a title to start?</p> <p>A Flamingo (draw a picture)</p> <p>A flamingo is pink. It has long legs. It eats shrimps.</p> <p>Other birds may include: puffins, peregrine falcons, pelicans, penguins, woodpeckers, parrots, owls ...</p>
<p>Collective Worship</p>	<p>Click on the link below to take you to the BBC website</p> <p>The way things are: Why the sun moves slowly across the sky</p> <p>https://www.bbc.co.uk/programmes/p05rf9gc</p>
