

# VE Day

## 8th May 2020

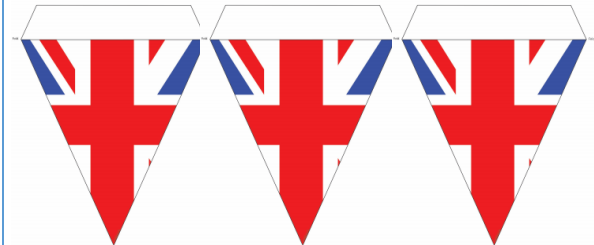

### What is VE Day?

Learn about its importance in the PowerPoint attached.

### The Union Jack Flag

The Union Jack is the name of the flag used to represent the United Kingdom. It is a symbol to show that we are united. Can you colour in some Union Jack bunting to display in your windows?

### Morse Code!

Morse Code was a way of sending messages without using words and was used during WWII.

Can you send a message using the codes shown? You could write down the dots and dashes or use a torch to flash the dots and dashes!

### Design a Medal!

Medals are given to soldiers who take part in war and are a sign of achievement.

### Being a Baker!

If you have the ingredients and your parents say it's OK, why not have a go at baking some cupcakes to celebrate VE Day? You could even have a go at decorating them. Yummy!

### Invite the Nation!

To celebrate VE Day, lots of people around the country are going to be celebrating by arranging a tea party!

Can you make some picnic food to share with your family and write an invitation to let them know it's happening!
