Topic:	The World around us!
	<p><u>Taking care of our planet</u></p> <p>Who helps us to look after the world around us? Can you think of any of the actions which people in your community do that help to maintain the area that they live in?</p> <p>Do you have a park nearby? Do you think anyone looks after it? How do you know? Who do you think cuts the grass?</p> <p>Do you just leave all your rubbish out on the street in a big pile? Who comes to collect it?</p> <p>Can you think of anyone who picks up litter? Is it their job? What do they use to pick rubbish up with to keep them safe?</p>
Collective Worship	<p>A time to reflect</p> <p>Think about all the people who help us look after the world around us. You might like to draw around your hand, cut it out and ask a grown up to write in it one way that YOU can use your hands to help look after the world around you. (i.e. I can help sort the rubbish for recycling.)</p>

Lucky Worm

by Lenore Hetrick

Got to brush my teeth again!
Got to comb my hair!
Got to clean my fingernails
With the proper care.
Know what I would like to be?
I'd like to be a worm!
Nothing to do the whole day long
But lie in the sun and squirm.

The Worm

When the Earth is turned
in spring
The worms are fat as
anything.

And birds come flying all
around
To eat the worms right off
the ground.

They like worms just as much as I
Like bread and milk and apple pie.

And once, when I was very
young,
I put a worm right on my tongue.

I didn't like the taste a bit,
And so I didn't swallow it.

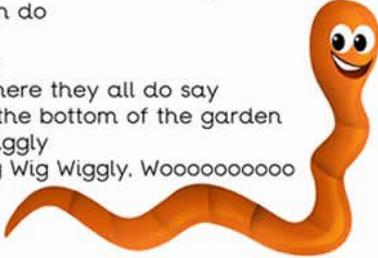

But oh, it makes my Mother squirm
Because she thinks I ate that worm!

 **There's a Worm at the Bottom of the Garden** 

There's a worm at the bottom of the garden
And his name is Wiggly Woo
There's a worm at the bottom of the garden
And all that he can do
Is wiggle all night
And wiggle all day
The people round here they all do say
There's a worm at the bottom of the garden
And his name is Wiggly
Wig Wig Wiggly, Wig Wig Wiggly, Woooooooooooo
