

Monday 22nd June 2020

Hi Reception children,

On this plan you will find today's virtual Maths, Phonics and Handwriting.

This week's Maths learning is based around the story, 'Zog' by Julia Donaldson. You don't need it for the activities but if you haven't got the story at home and you'd like to listen to it, you can following this link-

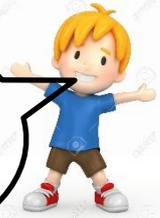

<https://www.bing.com/videos/search?q=Zog+youtube&&view=detail&mid=2BBFB7E6CC61396ADD272BBFB7E6CC61396ADD27&&FORM=VRD GAR&ru=%2Fvideos%2Fsearch%3Fq%3DZog%2Byoutube%26qpvt%3Dzog%2Byoutube%26FORM%3DV DRE>

| <p>Maths</p> <p>Mental Maths- 10 mins</p> <p>Maths activity- 15 mins</p> | <h3>Zog the flying doctor!</h3>  <p>The prince and princess prefer to be doctors than royalty and Zog becomes their transport. Let's think about how we are still supporting the people who help us by using our pattern skills.</p>  <p>Rainbows have a special <u>7</u> pattern.</p> <p>We have been drawing a lot of these lately. Have you drawn one?</p> |
|--|--|

Some people have a rhyme to remember the colours of the rainbow!

Red, Orange, Yellow,
Green, Blue, Indigo,
Violet.

ROY G
BIV

They say it is a boy's name!

Task 1-Can you create your own rainbow and give it a name?

Talking Together

Remember you have to pick 7 colours but they don't have to be the same! Have a think! What name will you give your rainbow?

Remember it is the first letter of each colour.

Do you like mine?

Blue, orange, red, purple, pink, avocado, turquoise.

BORP PAT!

There are lots of different colour names. Can you find some unusual ones?

White
Rose
Maths

Task 2-Zog is the biggest orange dragon!
Look at these patterns below. Can you describe them?

Let's look at the first one-

The pattern is big, small, small, big, small, small, big, small, small.

As you are describing the patterns, try and use some positional language to work it out such as: *first, next, next to, after, before, between/in between, left, right, small/ smaller, big, bigger, upside down!*

Don't forget to show us you doing this.

Talking Together

Odd one out!

Which Zog is different to the others?

Task 3-
Can you spot which Zog is the odd one out?!

Phonics
15 mins

In today's Phonics you are learning about the "ow" digraph. Are you ready?

<https://www.youtube.com/watch?v=MIXcQTgY290>

Want to do some more?

Play "Dragon's Den" and practise Reading some more "ow" words.

CTRL and click on the picture to take you to Phonics Play. Username- march20 password- home

Handwriting
15 minutes

Today we are practising writing numbers.

Use this fun video to practise writing the numbers 0- 10. You can do air writing, writing in your book, water and brush outside or chalk.

Don't forget to send us a photo or video so we can see!
