Hi Reception children,

It's Wednesday and we are half way through the week and we are now in the 7th month of the year, July.

On this plan you will find today's virtual Maths, Phonics and Handwriting. In Maths you are learning to find "how many more", in Phonics you are recapping and learning the "ch" digraph and for handwriting we are learning how to write some more tricky words. Don't forget you can write them using chalk, shaving foam, rice- it is up to you!
