

Monday 13th July 2020

Hi Year 1 children,

It's Monday and our last week of school before the Summer holidays!

On this plan you will find today's virtual Maths, Phonics and Handwriting. In Maths you are learning to tell the time. In Phonics you are revising the sounds you have learnt so far and in handwriting you are practising how to write capital letters which have straight and slanted lines.

Today we are using our fantastic letter formation again to write some capital letters!

We are starting to write the straight and slant capital letters today.

Have a go at writing these in your book-
