

Common nouns: names of places

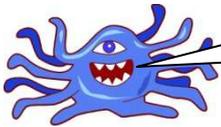

English worksheets from urbrainy.com

Common nouns are naming words that do not have capital letters, unless they are at the start of the sentence. Today we are looking at common nouns that are **places**.

Circle the nouns that are names of places in these sentences:

1. In the village the bank was next to the garage. *(3 common nouns of places)*
2. I took a book back to the library in the town. *(2 common nouns of places)*
3. The hotel had a gym and a pool for keeping fit. *(3 common nouns of places)*
4. We went to a farm to look at the lambs in the barn. *(2 common nouns of places)*

Sort these common nouns of places into the table where you think they fit best.

restaurant	disco	cellar	bedroom	cafe	seaside
park	bathroom	playground	tearoom	hall	bar

Places in the house	Places for fun	Places for food and drink

Write sentences about each of these places:

farm	laboratory	city
------	------------	------
