

Thursday 21st January 2021

Hello everyone,

What brilliant instructions I read yesterday! I am so proud of you all. Well done all for using the bossy (imperative) verbs and for making your instructions very precise.

I also enjoyed seeing all of your diagrams of the cress roots! Well done everyone.

I hope you all enjoy the home learning today. I have a training session today from 1.30-4pm so I will make sure to reply to your messages in the morning tomorrow.

Have a brilliant Thursday!

Mrs Cole

Task:

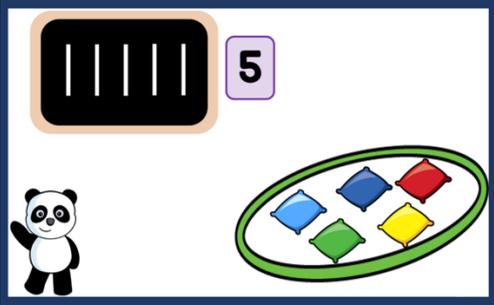

Write these words in the mud outside (you can use a stick if you don't want to get your hands messy) or something else and pretend it is manure (e.g., glitter). As you write them sound out the words and blend them to make the word.

sure, lure, assure, pure, cure,
secure, mature

Today we are learning the composition of numbers to 5:

#MathsEveryoneCan

Now it's your turn to have a go at the throwing game.
You will need a target, such as a hoop, and five objects to throw.

How many land inside the hoop? How many land outside the hoop?
Now record your score and then have another go!
Did you score more or less this time?

White Rose Maths

Challenge: Can you record your score using the tally system?

Extension:

Play this game on Topmarks. Select the 'Numbers up to 5' game, but if your child needs a challenge select either the 'Numbers up to 10' or 'Numbers up to 15'.

Geography (10-
15 minutes)

Measuring rainfall:

Over the next week we are going to be measuring the amount of rainfall we get. You will need a jug with measurements on it in millilitres and a 7 day grid that looks like this:

Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday

Stand the container somewhere outside. At the end of the day, have a look at the jug and record how much rainfall it has collected. Write the amount in the box.
