Working with a small group, provide each child with a plate and give them each a handful of snack such as grapes or crackers. Does everyone have the same? Is it fair?

Encourage them to notice that some children have more snack and some have less and to share out the snack fairly. Can they check that everyone now has the same?

#MathsEveryoneCan

Set up a teddy bears picnic and gather some food or objects to share.  
Explore sharing the food or objects between 2 teddies.

Do both teddies have the same? Or does one teddy have more or fewer?  
Now have a go at sharing between 3 teddies.
