Guidelines for All Video Calls and Video lessons

The parent or carer must make sure their child and other members of the household are aware the video call is happening,

Staff, children and other members of the household must wear suitable clothing

Devices used should be in appropriate areas, for example, not in bedrooms; and where possible be against a neutral background.

Language must be professional and appropriate, including any family members in the background.

The same expectations apply for remote teaching and conversations as normal school conduct

Staff will only ever video call a pupil with prior agreement with parents and the head teacher or deputy. This will always be at a pre-arranged time. The times of all video calls and lessons will be published on google classroom and logged.

Parents will need to appear on screen at the start of the lesson to confirm they give consent for their child to be part of the group conversation.

Wherever possible 'live' classes will be recorded and stored on google drive so that if any issues were to arise, the video can be reviewed. Parents and children will be asked to confirm they are aware of this and give consent at the start of each session.

These will be group conversations only or webinar
