

Wednesday 27th January 2021

Good morning Hedgehogs!

We are half way through the week. Today we have included some Music and Yoga for you to try.

Mrs Hoddy

Subject Resources List

Handwriting:

- Whiteboard
- Whiteboard pen
- OR
- Pencil
- Exercise Book/Paper

Phonics:

- Whiteboard
- Whiteboard pen
- Pencil
- Exercise book
- Paper

Maths:

- 2 plates
- 5 small items (e.g., pasta, cars, sweets, buttons)

Music:

- A device for the website in the task box

Geography:

- Jug with millilitres

Handwriting
(10 minutes)

Can you practice the letter **b**?

Try writing:

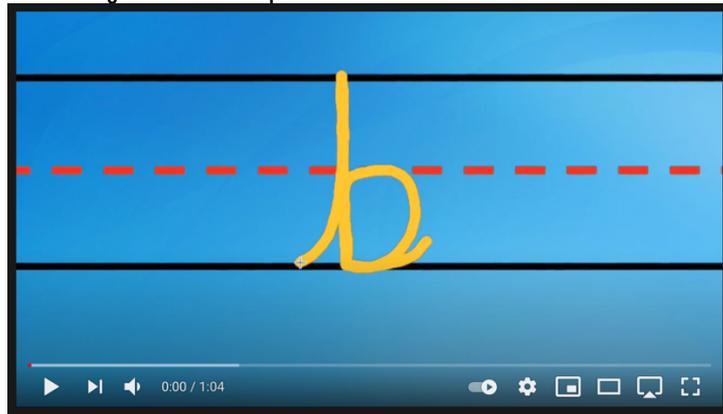

b

boy

bounced

the boy bounced

This video might help:

<https://www.youtube.com/watch?v=tf+lqclTZlc>

Phonics (20-30 minutes)

Today we are revising the 'w' digraph. Watch the teaching video below:

<https://www.loom.com/share/48b1529588214d32ad97a28a2666be32>

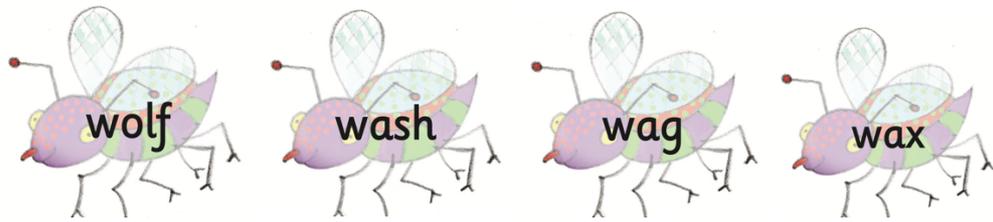

w w whiffy Wilson

Now have a go at writing some words with 'w' in or a short sentence, e.g.
Whiffy Wilson went to town.

The pairs game from the video is here-

<https://wordwall.net/resource/56666/english/matching-pairs-phase-3-words-pictures>

Maths (20 minutes)

Play Curious George's number hide and seek game:

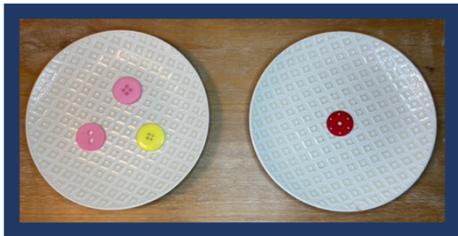

<https://pbskids.org/curiousgeorge/busyday/hideseek/>

Today we are learning about adding two groups together

#MathsEveryoneCan

Use 2 plates to explore the composition of numbers to 5
Place some of your buttons on one plate and the rest on another plate.

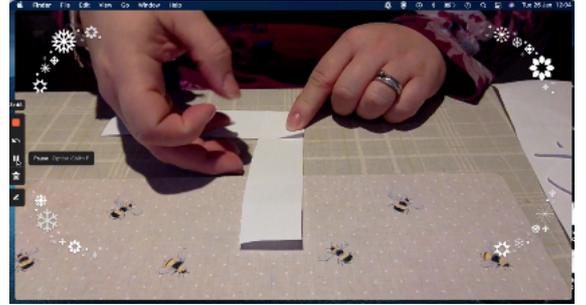

How many buttons are on each plate?
How many buttons do you have altogether?
What if you used 3 plates?

White Rose Maths

The complex block is a math activity card. At the top, it has the hashtag '#MathsEveryoneCan' with two cartoon characters. Below this, it provides instructions: 'Use 2 plates to explore the composition of numbers to 5' and 'Place some of your buttons on one plate and the rest on another plate.' In the center, there is a photograph of two white plates on a wooden surface. The left plate has three buttons (two pink, one yellow) and the right plate has one red button. Below the photo, there are three questions: 'How many buttons are on each plate?', 'How many buttons do you have altogether?', and 'What if you used 3 plates?'. At the bottom right corner, there is a logo for 'White Rose Maths'.

Lost and Found Topic

<https://www.loom.com/share/07cf948b2568423bb22d6e4b07a41cft4>

Task:

Imagine you are the boy in the story and you are going to send a postcard home telling them all about your journey!

Your task today is to make your front cover of the postcard! You may like to make it 3D and include a drawing from the book. Have a watch of Mrs Hoddy's video showing you how to make your postcard 3D by making a spring...

Here are some pictures from the story you may like to draw on your postcard:

Last day of measuring rainfall: measure today's rainfall in millilitres on your 7 day grid at the end of the day.
