

Tuesday 26<sup>th</sup> January 2021

Hello everyone,

What amazing work you all did yesterday! I really enjoyed seeing your Shabbat artwork- you were all so creative making the three components! I also enjoyed seeing some of your giant creations! They are absolutely amazing and it's so clever how you have made their joints move.

Thank you so much those who have sent me your PE scores. You guys did brilliantly! If you haven't yet, don't worry we still have one more day.

Does anyone need their login for YUMU (online music website) as we will be using it tomorrow? If so message me today and I can send it to you.

Have a super day and know I am here if you need anything.

Mrs Cole

Today  
is going to be  
a great  
day

## Subject Resources List

### Handwriting:

- Whiteboard
- Whiteboard pen
- OR
- Pencil
- Exercise Book/Paper

### Phonics:

- Whiteboard
- Whiteboard pen
- Pencil
- Exercise book
- Paper

### Maths:

- 5 teddies/toys

### Science:

- Pencil
- Exercise book
- Paper
- Coloured pencils
- Phonics sound mat

### Geography:

- Jug with millilitres
- 7-day grid
- Pencil

Handwriting  
(10 minutes)

Can you practice the letter **r**?

Try writing:

r

robot

rubber

a rubber robot

Username: Sporle Primary

Password: XA\$li@VB!QM8NqSh8iyeQHMg

**Task:**

Play 'matching pairs' with these words. Write each word on 2 pieces of paper. Muddle them and place them upside down. Turn over one card, read it out, then turn over another and read it out. If it's a match put them to one side, but if it isn't a match turn them back over and start again. You also need to check if it is a real word or a Beegu word.

van, vilp, vard, vet, visit, Kevin, vunk,

Maths (20 minutes)

Watch this episode of 'Numberblocks':

<https://www.bbc.co.uk/iplayer/episode/b08cr24d/numberblocks-series-1-how-to-count>

Today we are learning about the composition of numbers to 5 (2 groups).

A banner for '#MathsEveryoneCan' featuring a cartoon girl superhero on the left and a cartoon boy superhero on the right.

#MathsEveryoneCan

Have a go at exploring the composition of numbers to 5.  
Place a group of teddies or toys on the bed.  
Place another group of teddies in a different place, such as on the floor.

An illustration of a pond with five green frogs. Three frogs are in the water and two are on the grassy bank.

How many teddies are in each group?  
How many teddies do you have altogether?

A circular logo with the text 'White Rose Maths' inside.

Rose  
Maths

Geography (5 minutes)

Measuring rainfall: measure today's rainfall in millilitres on your 7 day grid at the end of the day.

Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday

Guided Reading (10 minutes)

*Lost and Found*  
Watch the teaching video below:

Lost and Found Guided Reading

<https://www.loom.com/share/e8c11b0968d0469da306d09a1b8d1794>

Science (15 minutes)

*Naming and labelling parts of a plant*  
Watch the teaching video below:

Science (parts of a plant)

<https://www.loom.com/share/8f5d77fc459843d99f34b9cc12b9f877>

**Task:**

Draw a diagram of a plant. Label the parts including: **roots**, **stem**, **leaves** and **flower**.

Story time/  
Dough Disco

Watch the dough disco video below
