Phonics (20-30
minutes)

Today we are revising the 'sh' digraph. Watch the Phonics Fairy's video below:

sh, shh, we have a plan!

Task:

Practice reading the tricky troll words 'was' and 'she' today from your key skills pack. You could ask your grown up to write them on post it notes and stick around the house for you to find and read.

Use these 'sh' words and trace them in a tray filled with bird seed or use a white crayon to write them and use a blue watercolour over the top to reveal it! Or use washing up liquid in a bag, chalk, oats etc.

As you write the word, look for the 'sh' digraph, does it come at the beginning or the end?

Maths (20 minutes)

Today we are learning about the composition of 6, 7 and 8!

Starter:

#MathsEveryoneCan

Go on a hunt to find the number 6
How many different ways can you see 6?

Can you find the numeral 6?
Can you spot a group of 6 objects?

White Rose Maths

Do the same for the numbers 7 and 8!

Now complete this challenge, you could use dominoes at home to help you:

Dotty Dominoes Composition of 6, 7 and 8

Each of my dominoes should have 6 dots in total. Can you draw the missing dots?

--	--	--

Each of my dominoes should have 7 dots in total. Can you draw the missing dots?

--	--	--

Each of my dominoes should have 8 dots in total. Can you draw the missing dots?

Here is a video showing you how you can make a compass from a magnet, piece of tin foil, needle and water.

https://www.youtube.com/watch?v=ldSG_qVF83M

Task:

Make yourself a compass and figure out which way these things face:

- The front door
- Your bed
- The fridge
- Something outside your house

Take a picture of each of these with you using your homemade compass!

Literacy (20 minutes)

An important video for grown-ups about how to help your child write:
